

AYAN SHAIKH

Full Stack Developer | Python & Django | AI Projects

shaikhaayan1812@gmail.com | +91 93138 66346 | GitHub | LinkedIn

PROFESSIONAL SUMMARY

BCA graduate and Full Stack Developer trainee with hands-on experience in Python, Django, MySQL, HTML, CSS and JavaScript. Completed a 3-month Python with Django internship, developing e-commerce applications and working with backend logic, templates, forms and database integration. Built and published 18+ web projects and currently developing AI-enabled applications.

CODE SKILLS & TOOLS

Python	Django	MySQL / SQL	HTML / CSS	JavaScript	Git / GitHub
React (Basic)	REST Concepts	OOP	File Handling	Regular Expressions	AI-Assisted Development

AI Focus: AI-assisted coding and debugging; AI-enabled application prototypes with Python/Django.

TECHNICAL EXPERIENCE

Python with Django Intern | Patel Web Solution | 3-Month Internship

- Developed two e-commerce applications using Python, Django, HTML, CSS and MySQL.
- Worked with Django project structure, backend logic, templates, forms and database integration.
- Practiced debugging, input validation, reusable code organization and application testing.

PROFESSIONAL EXPERIENCE

Lead Generation Specialist | Orah Consultancy Services | Ahmedabad | 2026 - Present

- Conduct online research, understand requirements, organize information, maintain structured follow-ups and coordinate with senior team members.

FEATURED PROJECTS

AI Chatbot - Django (Prototype)

Python | Django

- Personal prototype exploring conversational interaction, backend routing and AI-enabled functionality in a local development environment.

MovieVerse - Full Stack Movie Application

Next.js | React | TypeScript | Django REST | MySQL | JWT

- Movie discovery, search, filtering, authentication, watchlists, ratings and reviews with connected frontend, backend and database layers.

Sofaloom - E-Commerce Website

PHP | MySQL | HTML | CSS | JavaScript

- E-commerce website concept with product-oriented pages and database-backed functionality.

Developer Portfolio & Project Collection

HTML | CSS | JavaScript | React / Next.js

- Personal developer portfolio showcasing 18+ web development projects and practical experiments through GitHub.

TRAINING & EDUCATION

AI & Python Full Stack Developer Program - TOPS Technologies, Ahmedabad	2026 - Present
Bachelor of Computer Applications (BCA) - Lokmanya College	2023 - 2026
Higher Secondary Education - Commerce, Gujarat Board	2021 - 2023

Achievements: 18+ projects on GitHub | 3-month Python/Django internship | Chess winner | Racing winner

Languages: Gujarati - Native | Hindi - Fluent | English - Working Proficiency
